**SUMMER CAMP 2006 STUDENTS:** Thank you for joining us at C.A.T.S. CAMP this year.  
We had a great time and look forward to seeing you again next year!

### **WEEKLY ART STUDENTS! A note from the Director**

Art is a form of self-expression. Explore your ideas this year and have fun bringing them to life through paint, metal sculpture, clay, drawing, mixed media sculpture, collage and more.

Remember: Your imagination is the limit!

As you all know, Creative Art Time Studio is a place for everyone to learn and explore the many wonderful mediums of art. C.A.T.S. gives all of you the opportunity to explore your talent in a relaxing environment. What you do at the studio is a reflection of you. Whether it be a fun dog painting on a mailbox for Grandma (nice idea Chris) or learn how to draw cats with the hope that you can help fundraise for a local animal shelter (good for you Evelyn), it's up to you. Keep the ideas coming. I can't wait to see what you'll think of next!
